

---

**Location:** Prince George, BC

**Job Type:** Full-time

**Pay:** \$40-48/hour (depending on experience)

**Job Summary:**

We are seeking a detail-oriented Electrical Estimator to join our growing team. This role involves preparing accurate estimates for electrical projects, analyzing project requirements, and working closely with clients and team members to deliver competitive and profitable solutions.

**Key Responsibilities:**

- Review project plans, specifications, and electrical drawings to create accurate cost estimates.
- Communicate with suppliers and subcontractors to obtain pricing for materials and labour.
- Prepare project budgets, schedules, and proposals for clients.
- Collaborate with project managers and engineers to ensure accurate estimates.
- Maintain detailed records of all estimates and projects.
- Identify potential risks and recommend solutions to mitigate them.

**Qualifications:**

- 1-3 years of experience as an electrical estimator (commercial/industrial preferred).
- Proficient in Accubid estimating software and MS Office (Excel, Word, etc.).
- Strong analytical skills with attention to detail.
- Excellent communication and organizational skills.
- Knowledge of BC building and electrical codes is a plus.

**Why Join Us?**

- Competitive salary and benefits package.
- Opportunities for growth within the company.
- A collaborative and supportive work environment.

**How to Apply:**

Submit your resume and cover letter to [nwesoffice@nw-es.ca](mailto:nwesoffice@nw-es.ca) with the subject line "**Estimator Application.**"

---

*Electrical Solutions would like to thank all applicants for their interest in this position however, only applicants chosen for an interview will be contacted.*
